

# DECLARATION OF MANUFACTURER

No.: PV-2/2010/RQ

**Manufacturer:** Ekom spol. s r.o.

**Address:** Priemysel'na 5031/18  
921 01 Piešťany  
Slovak Republic  
ID No. 31416519

**Product:**

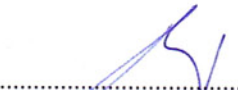

Product Name : **Medical Compressor**  
Type: DK50 D, DK50 DM, DK50 DMS, DK50 DS, C 230, C 235,  
MC40, SLE350, SLE500

The manufacturer declares that the manometer used in the above compressor types is of indicative character and serves only to inform the operators of the presence of pressure in the device.

The manometer is not intended for the measurement of pressure in a pneumatic system. It is necessary to use an independent calibrated manometer with the required accuracy for the purposes of setting the elements in the pneumatic system.
